

WE MAY BE FEW, BUT TOGETHER WE CAN CHANGE THE WORLD

When a routine court case takes a sinister turn, defence lawyer Spike Sanguinetti starts asking questions that nobody seems to want answered. Soon, it's not just the truth that's at stake: it is everything and everyone that Spike holds precious. As the Gibraltarian sun beats down relentlessly, crimes of the past and present collide, relationships are tested and long-buried secrets exposed. Who can Spike trust?

And where do his own loyalties lie?
